## The Bowling

**The Almería Lawn Bowling Centre**, with its club the "Almería Lawn Bowling Club" is firmly at the centre of bowling in Almería.

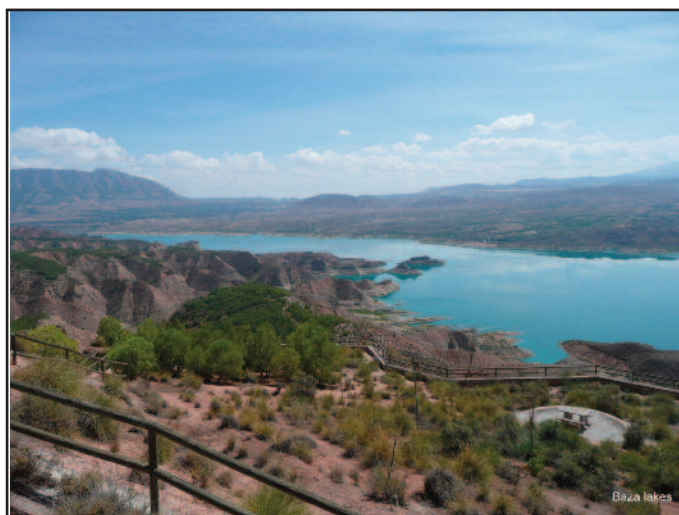

We have a large artificial green, which has recently replaced our two grass greens.

The club offers an active social calendar, with annual dinners, away games, and much more.

In addition to our normal annual memberships, we also offer a range of short and medium term memberships.

We welcome short term members, and offer a series of temporary membership plans to campers who want to enjoy the game whilst on holiday with us.

You can learn more about our club, and see our photo gallery of past triumphs, at [www.BowlingAlmeria.com](http://www.BowlingAlmeria.com).

## The Campsite

Camping Los Gallardos offers 125 camping pitches for caravans, tents and motorhomes.

The site is divided up into a series of terraces with plenty of trees, shrubs and hedges to provide privacy for campers.

Our shower and toilet block is free to use for campers, including hot water, and chemical W.C. disposal.

We have an onsite laundry with automatic machines. Laundry & washing up sinks are available, as is a chemical toilet drain.

Our onsite shop is open daily, and provides campers with all of life's little necessities. UK papers, bread, eggs and milk are available daily, as well as fresh fruit & veg and a well stocked grocery.

We offer a number of long and medium term discounts to people who want to spend a longer period of time in a relaxed, warm and friendly resort away from the damp British winters!

Free internet WiFi is available in our restaurant to guests, and a WiFi network is available over the whole site for a small fee.

Special short term memberships to the Almeria Lawn Bowling Club are also available to campers, so you can come along and enjoy all the events that this very popular club organises.

Special nights are a regular occurrence in the Bar Restaurant Miraflores during the winter, and of course, high quality meals from a range of menus are always available.

On Tuesdays we run, in conjunction with the townhall, a free shuttle bus to the weekly Los Gallardos market.

The campsite is a quiet and peaceful area, and we strictly enforce noise limits at night to ensure the peace of our residents.

## Mobile Homes

Camping Los Gallardos was the first campsite in Almería to offer Mobile Homes (park homes), and we currently have over 250 mobile homes onsite.

We also offer a full bar & restaurant open 7 days a week, swimming pool, two grass bowling greens, full on-site shop, nighttime security and assistance, cabled TV to every pitch, evening entertainment and much more, all in a friendly and welcoming environment open all year round.

The campsite is divided into two self contained sections, a private Mobile Home Park (which is Pet Free) and the main campsite, which is a mixture of mobile homes and caravan sites.

All of our mobile homes are Alucasa mobile homes, built in Alicante, and outfitted to the very highest standard.

Please note that the mobile homes are self contained away from the campsite, and non residents are not able to enter without a pass key. Viewings are by appointment only.

We do not do "inspection visits". Instead, we invite you to come along for a private appointment where we will be able to assess your needs and find the ideal home for you.

If you have never stayed in an Alucasa mobile home before, we would be happy to rent you one for a short holiday so that you can try out the site before you buy!

A select number of our mobile homes are available to rent for short term lets. For more information, please contact us with the dates of your stay.

Camping Los Gallardos was thrilled to have recently been chosen by Spanish TV channels **CanalSur**, **Tele Cinco** and **TVE1** to act as the backdrop to a recent series of TV news programmes into the whole Mobile Home scene, and how British people are enjoying their retirement here with us in Spain.
